Location

This apartment is situated in the historic and very quiet Deichstrasse, which is located in downtown Hamburg. Look at maps.google.de („deichstr“ „hamburg“) to see the superb location which can't be more central. The magnificent Town Hall, the fascinating warehouse complex, the famous church of St Michael, the river Elbe with its guided tours in and around the harbour and the inner city, are all located right next door. The Jungfernstieg, the Gänsemarkt, the lake Alster and the notorious Reeperbahn are within easy walking distance. Buses and the underground provide quick and easy access to all parts of the city (e.g. the conference and exhibition centre, the airport and the university). Close by there is a well-stocked supermarket, lots of nice restaurants, bistros and cafes which are suitable to all tastes and pockets. Parking is possible on request.
